

Withdrawal of Consent Form

To the Director of The University of Tokyo Health Service Center,

Research project "Study on SARS-CoV-2 Antibody Titer Measurement in Human Serum and Utilization of the Results". (Review Number: 20-22)

Although I had agreed to participate in the above research following the explanations given concerning participating in the research according to the explanatory document, after further consideration I would like to withdraw my agreement to be a participant in this study.

■ **I withdraw my consent to participate in this study.** (please ☒ any)

☐ YES (I withdraw my agreement)

☐ NO (I do not wish to withdraw my agreement to be a participant of this study)

▶ About Handling of samples, information, etc. following the withdrawal of consent
(please ☒ any)

Materials (samples) provided by the time of withdrawal of consent

☐ May continue to be used in the research, but please discard it at the end of the storage period.

☐ Please dispose everything immediately

■ **I withdraw the consent that my information collected for the study will be kept for a long time as important resource to implement new study in future.** (Please ☒ any)

☐ I withdraw my consent for long-term retention.

(Dispose everything immediately after the end of the retention period)

☐ I do not withdraw my consent for long-term retention.

(I am only withdrawing my consent to participate in the study, and not my consent to the long-term storage of samples, information, etc.)
