Group I Students Medical Check-ups

**Information**

You are required to answer the Medical Questionnaires from the web site.

This must be done in advance so that the health checks can be carried out smoothly.

Thank you for your cooperation.

**How to take the Online Medical Questionnaires**

1. Log in to the reservation system using the ID and PW which are written on the document that you received with the sample containers.

2. You will be taken to the Medical Questionnaire when you click on the "input page" towards the bottom of the page beneath the calendar.

3. A QR code will be produced for the questionnaire when it has been completed.

   Please make sure to print the displayed QR code, and remember to bring it with you on the day of your medical check-up.

* Completing the online questionnaire does record your entries. The data entered is registered by reading the QR codes at the venues of the medical check-ups.

* **Your answers cannot be registered unless the QR codes are available, and unnecessary time will be wasted during the check-ups redoing the questionnaire. Please make sure to complete the questionnaire beforehand and to bring the QR codes with you.**

* Make sure when printing the QR codes that they are in a condition that can be read properly. QR codes may not be read correctly if they are disfigured, bent, or the printing is unclear.
