You are required to answer the Medical Questionnaires from the web site. This must be done in advance so that the health checks can be carried out smoothly.

**How to take the Online Medical Questionnaires**

1. Log in to the reservation system using the ID and PW.
   * Please check the bulletin boards of your faculty or graduate school for information, UTAS web on how to login.
2. You will be taken to the Medical Questionnaire when you click on the "input page" towards the bottom of the page beneath the calendar.
3. The three QR codes will be produced for the questionnaire when it has been completed. Please make sure to print the three QR codes, and remember to bring it with you on the day of your medical check-up.

* Completing the online questionnaire does record your entries. The data entered is registered by reading the QR codes at the venues of the medical check-ups.
* If you close the screen without printing or saving the 3 QR codes, you will need to answer the questionnaires and print out the QR codes again.
* Your answers cannot be registered unless you have the QR codes with you when you come to the check-up and unnecessary time will be wasted during the check-up if the questionnaire has to be redone. Please make sure to complete the questionnaire beforehand and to bring the printed QR codes with you.
* Make sure that when you print the QR codes they are in a condition that can be read properly. If your QR codes are disfigured, folded, unclear, etc. it may not be read correctly

*You can answer the Medical Questionnaires from either the Questionnaire page or the reservation page.

The three QR codes for the questionnaires will be created once the questionnaires have been completed. Please make sure to print the three QR codes that are displayed on the screen. Please bring the three QR codes with you on the day of the check-up.
