■ III 要医療 (Detailed examination / Treatment required)

Make sure to print and bring your Health Check-up Results when consulting a doctor.
Following the consultation, please report the results using the online response form.

*Please contact the Health Service Center of the campus you wish to visit in advance if you would like any of the following. If you do not contact us in advance, we may not be able to guide you.

- ・Issuance of various letter of introduction (Chest X-ray examination, electrocardiogram examination)
➡ Fee: referral letter (JPY 300 per copy), chest X-ray digital data (JPY 500)
- ・Those who have been advised to visit the Internal Medicine Dept. of the Health Service Center due to an abnormality in the chest X-ray examination.

If you wish to be examined at the Health Service Center ***A report is required from the online response form.**

- 【Internal Medicine Dept.】 (Opening times: weekdays from 10:00 to 12:20, and from 14:00 to 15:45)
- As consultations are not by appointment, you may be required to wait before your consultation. Also, there are no set dates for consultations. Please check the Health Service Center website for dates when there are no consultations.
 - If an abnormal value in "urine protein", "urine occult bleeding" or "urine sugar" has been reported:
Please obtain a container for urinalysis from the health center beforehand and collect a urine sample first thing on the morning of the day of your visit.
 - If an abnormal value in "HbA1c", "glucose", "urinal sugar", "triglycerides", "HDL cholesterol", or "LDL cholesterol" has been reported:
A blood sample may be required. Please do not have anything to eat for at least ten hours before coming for your examination. (Please make sure to keep hydrated by taking drinks without calories, such as water or straight tea.)
 - Please make sure to bring your student or staff ID card.
 - Those who have previously used the Internal Medicine Dept. please make sure to bring your patient ID card.
 - Please print out your health check-up results and bring them with you.
 - There is a consultation fee of JPY 100 depending on your status. (Separate charge will be made if more examination is required)

■ IV 要継続医療 (Continuation of medical care required)

Please make sure to show your doctor the health check-up results and report the results using the online response form.

■ V 他医療機関受診 (Substitute for medical check-up)

Regarding abnormal values, please follow the instructions of the medical institution where you received the examination and report the results using the online response form.

Go to online response form ➡

*Please fill out this "Response Form" and submit it to the Health Service Center ONLY if it is difficult to answer online.
